THE LEGACIES OF TIME

Here in this building—
so lately but a dream—
We walk the corridors
of destiny,
For here each takes
the legacies of time
And uses them
in his peculiar way
To chart the orbit of his life.
Here, fed by words of praise,
our hopes grow strong.
Challenged, inspired by able guides,
we look
Beyond these walls
to spaceless space,
To timeless time—
for truth to make us free,
Free from hate and greed and fear,
Free
to foster love among all men.

ADMINISTRATION

I cherish a very special feeling about the Class of 1964 because individually and collectively you have been outstanding. You have manifested character, leadership, and an academic interest which has led to significant achievement. It is with mixed emotions that I watch you leave the portals of Franklin High School: I shall miss you, but in later years when I read of your successes, I shall derive great satisfaction in the realization that your early years were spent in close association with me. I salute you!

Harry F. Newell
Principal

TO THE CLASS OF 1964

The world of today and tomorrow calls for a tremendous variety of talents. The volume of the world's knowledges is doubling every ten years—expanding so rapidly that no one can assimilate it all. Your education must be continuous because by the year 2000, probably three-fourths of the people will be producing products that have not yet been invented or discovered.

You have the honor of being the first of many graduating classes which will leave the new Franklin High School. May you ever hold dear the traditions and memories of your school.

To each of you I extend my personal congratulations and best wishes. Guard well your name; your diploma will then be priceless.

John R. Haubert
Superintendent of Schools

I extend congratulations upon your graduation from Franklin High School. Your future success will to some extent depend upon the reputation of your school. You should always strive to respect it with worthwhile accomplishments.

That your efforts in the future may be crowned with success, and that the memories of your high school days may be pleasant ones . . . is my wish for you, this commencement season.

SENIORS

In Appreciation Of Our Class Advisors

In appreciation for your untiring efforts and guidance during our last two years at Franklin High School, we the Class of 1964 would like to thank you, Mrs. Burket, for being our advisor. Your experienced counsel and helpful encouragement have served as an inspiration to us all.

Thanks again for a job well done.

Thanks also to you, Mr. Burns, for generously starting us on the straight and narrow in our Sophomore year. We are glad that you could return from your postgraduate studies to be with us at Graduation.

GARY M. STUCKE
Gary

To be an exchange student in a foreign country is a great experience with many interesting and pleasant days, together with new friends in a new milieu. I shall always remember the friendship and generosity I have met here, and I think that I will, back in my country, understand and look upon the United States as my second home-country. I thank you very much for my time here, which I have enjoyed immensely, and I hope that I will see you again sometime in the United States or in Sweden.

The 1963 football season was one of mild success, as shown by the team's five won-four lost record. It was generally felt, however, that the losses were more often the result of bad breaks than of poor playing. The season started promisingly with the Knights beating a big, strong Erie Academy team. Then our eleven was hampered by unfortunate minor injuries and bad breaks, and lost the next four contests. Undaunted, the Knights sprang back and won the last four games—beating, with several outstanding plays, a well-drilled Grove City team; walloping Oil City; overrunning a fast Titusville squad; and ending the season by thrashing Townville, 66-12, thus avenging their loss of last year.

This year's wrestling squad was one of the best all-around teams FHS has had. Wrestling finally found it's place and support as every match turned out to be a crowd-thriller. The season was highlighted by the win over Oil City, the first time FHS has beat them in almost a decade. Coach Nilsson received consistently great wrestling from Ed Fennick, Dave Grannis, Al Freeman, and Ed Noggle. The team placed second in the Section II meet.

In December of '63 anyone who had reason to stay after school and who tried to find an empty hall just couldn't. Almost every hall was filled with exuberant Jr. Hi girls vying for the top positions as Jr. Hi cheerleaders. The above select group was justly rewarded for their efforts by a truly great Jr. Hi season; great partly because of their support. For their unfailing backing these girls are to be commended.

After earning a varsity letter, an FHS athlete is eligible to join the Varsity Club. This club, under the advisorship of Mr. Schreckengost, sponsors various projects throughout the year. This year the Varsity Club sold programs at the basketball games, held record hops following the home games, and sponsored several Faculty Team games. The money which is collected by the Club from these projects goes for equipment for the Athletic Department and for the boys' annual trip to some sports event. The officers serving this year were: Chuck Holland, President; Jeep Witherup, Vice-President; and Al Freeman, Secretary-Treasurer.
